## General

Chip PC training department offers several training services, among them is an Onsite Training program accompanied by a Training Kit.

## What is Onsite Training

Onsite training is a pre-scheduled technical training session, the training will be held at a location defined by the customer and will be performed by a Certified Chip PC Trainer.

## Onsite Training Program Benefits

### ***Learn how to integrate Chip PC Products in your own environment***

The onsite training is a great solution for end-users who wish to train a number of their staff members, and be trained according to their exact needs with full view of their network structure.

### ***Train as many attendees as you need***

No limitation on the number of trainees attending the onsite training.

### ***Get an official Chip PC Training Kit***

One training kit will be provided per site at not additional cost, additional training kits can be ordered at €99 per kit.

The training kit includes all training materials relevant for Chip PC products.

### ***Content of Kit***

- A laptop type bag
- Hard Copy Documentation
- DVD's (x5) + CD Case
- Mock ups Jack PC + Xtreme PC
- Marketing Materials
- Xcalibur Global Installation CD
- Evaluation DVD – simulating a server based computing working environment
- Give away

## Who can offer onsite training?

Onsite training can be offered by Chip PC Headquarters, regional offices as well as third parties employing Certified Chip PC Trainers.

Note: A Chip PC Trainer will be certified following a successful completion of Chip PC "Train the Trainer" course.

## How to order?

Customers can make a request through one of the following:

- Chip PC website
- Chip PC Regional Office
- Third Party office / Website

Note: See below for PIN numbers, pricing and ordering details.

## Scheduling

### ***Customers who contact Chip PC***

- Regions Covered by a local Chip PC Office – In regions covered by a local Chip PC office requests for onsite training will be routed through the local office. The office can decide whether to send a staff member or forward the request to a certified third party.
- Regions NOT covered by a local Chip PC Office – In regions that are not covered by a local Chip PC office requests for onsite training will be forwarded to a certified third party.

### ***Customers who contact third parties:***

- Scheduling a third party Certified Trainer will be done through the prospective third party office.

## Special Requests

- Customers that request training that are not in the scope of this program will be given a special quotation based on the request type. For example, customers that request to be trained by a Chip PC staff member in regions that are not covered by a local Chip PC office.

## **Terms and Conditions**

- Price is defined per day, excluding travel costs and trainers expenses
- One Training Kit provided per site at no additional cost.
- No limitation on number of trainees attending.
- Prior notice is required to assure dates availability.

### ***Cancellations***

- Cancellation of onsite training up to 14 working days in advance shall not be subjected to a fine.
- Cancellation of onsite training 13-5 working days prior to scheduled training will be subjected to a 10% administration fee.
- Cancellation of onsite training 4 working days or less prior to scheduled training will be subjected to a 50% administration fee.

### ***Payment***

- Europe - Payment is always made via channel
- US - Payment can be made via a channel or directly through the local Chip PC office.

### ***Training Kits Stock***

- Each office will have a minimum stock of 10 training kits
- Certified third parties will order training kits from Chip PC on a per need basis.

### ***Monitoring***

- Training kits will be monitored and approved for onsite training purposes.

### ***Additional offers***

- Customers purchasing onsite training will be eligible for additional discounts (subject to offers made at the time of purchase)
